For club leads

Run your college club from one place.

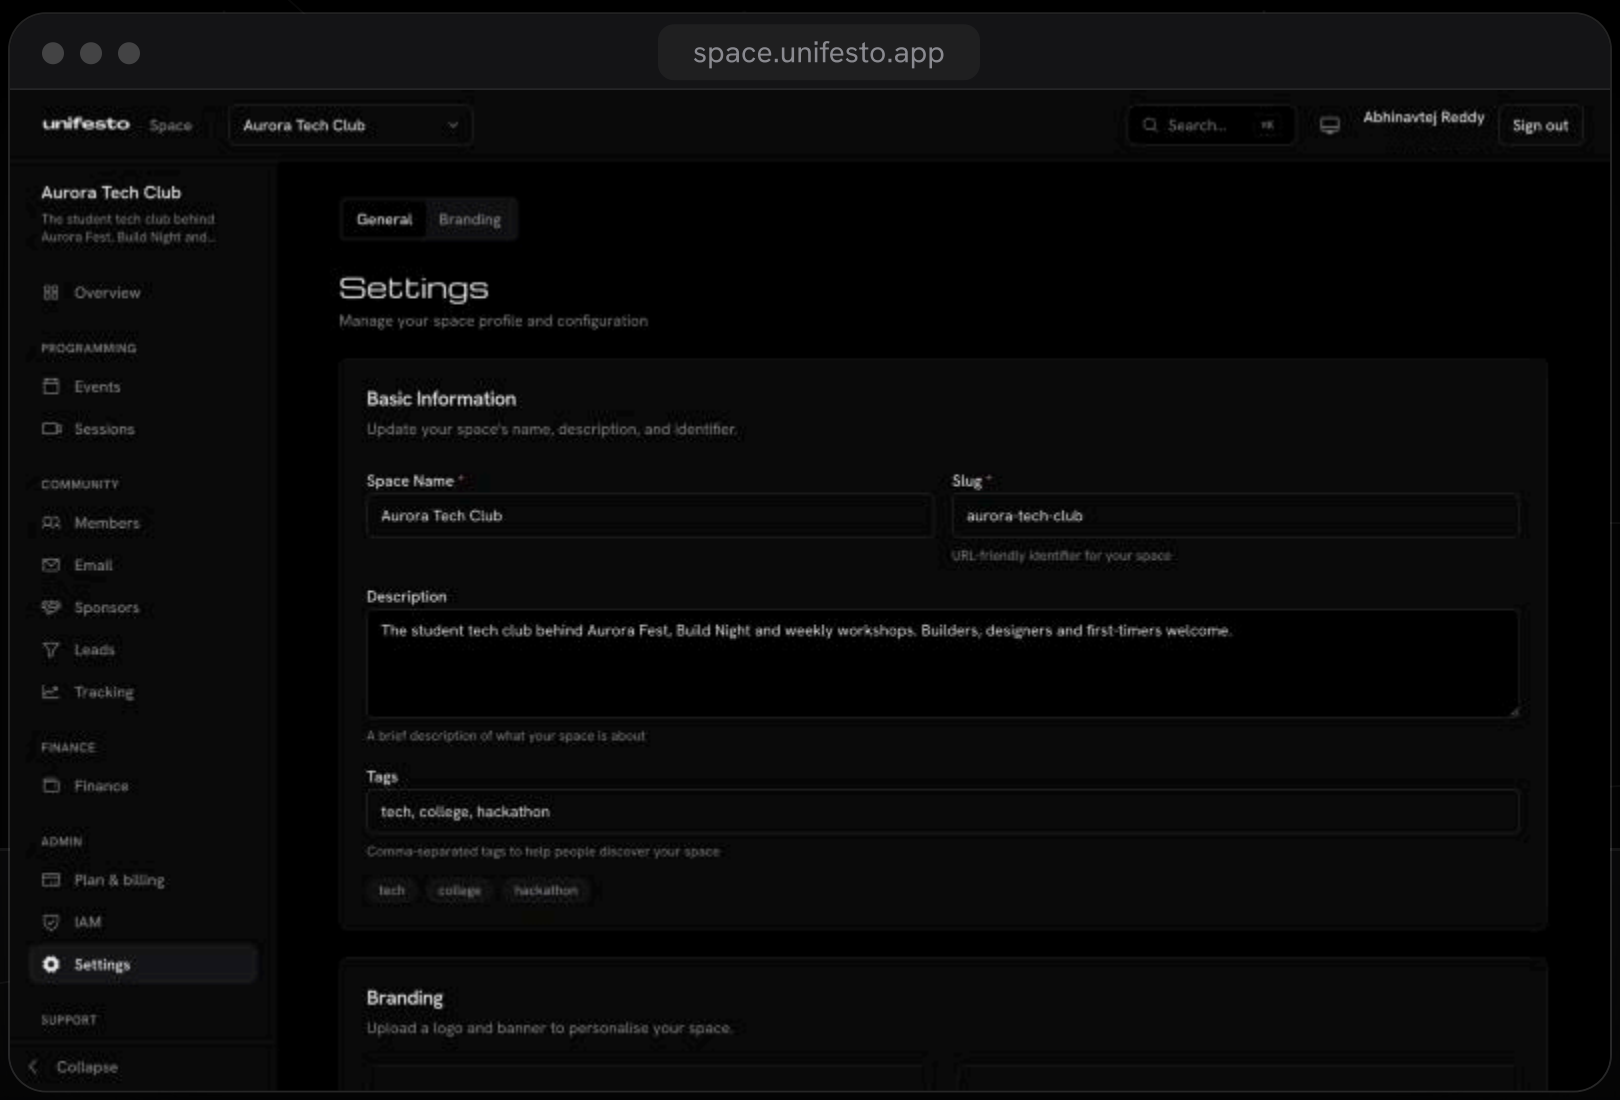

Your Space and your team, set up in 10 minutes.

01

Create your Space

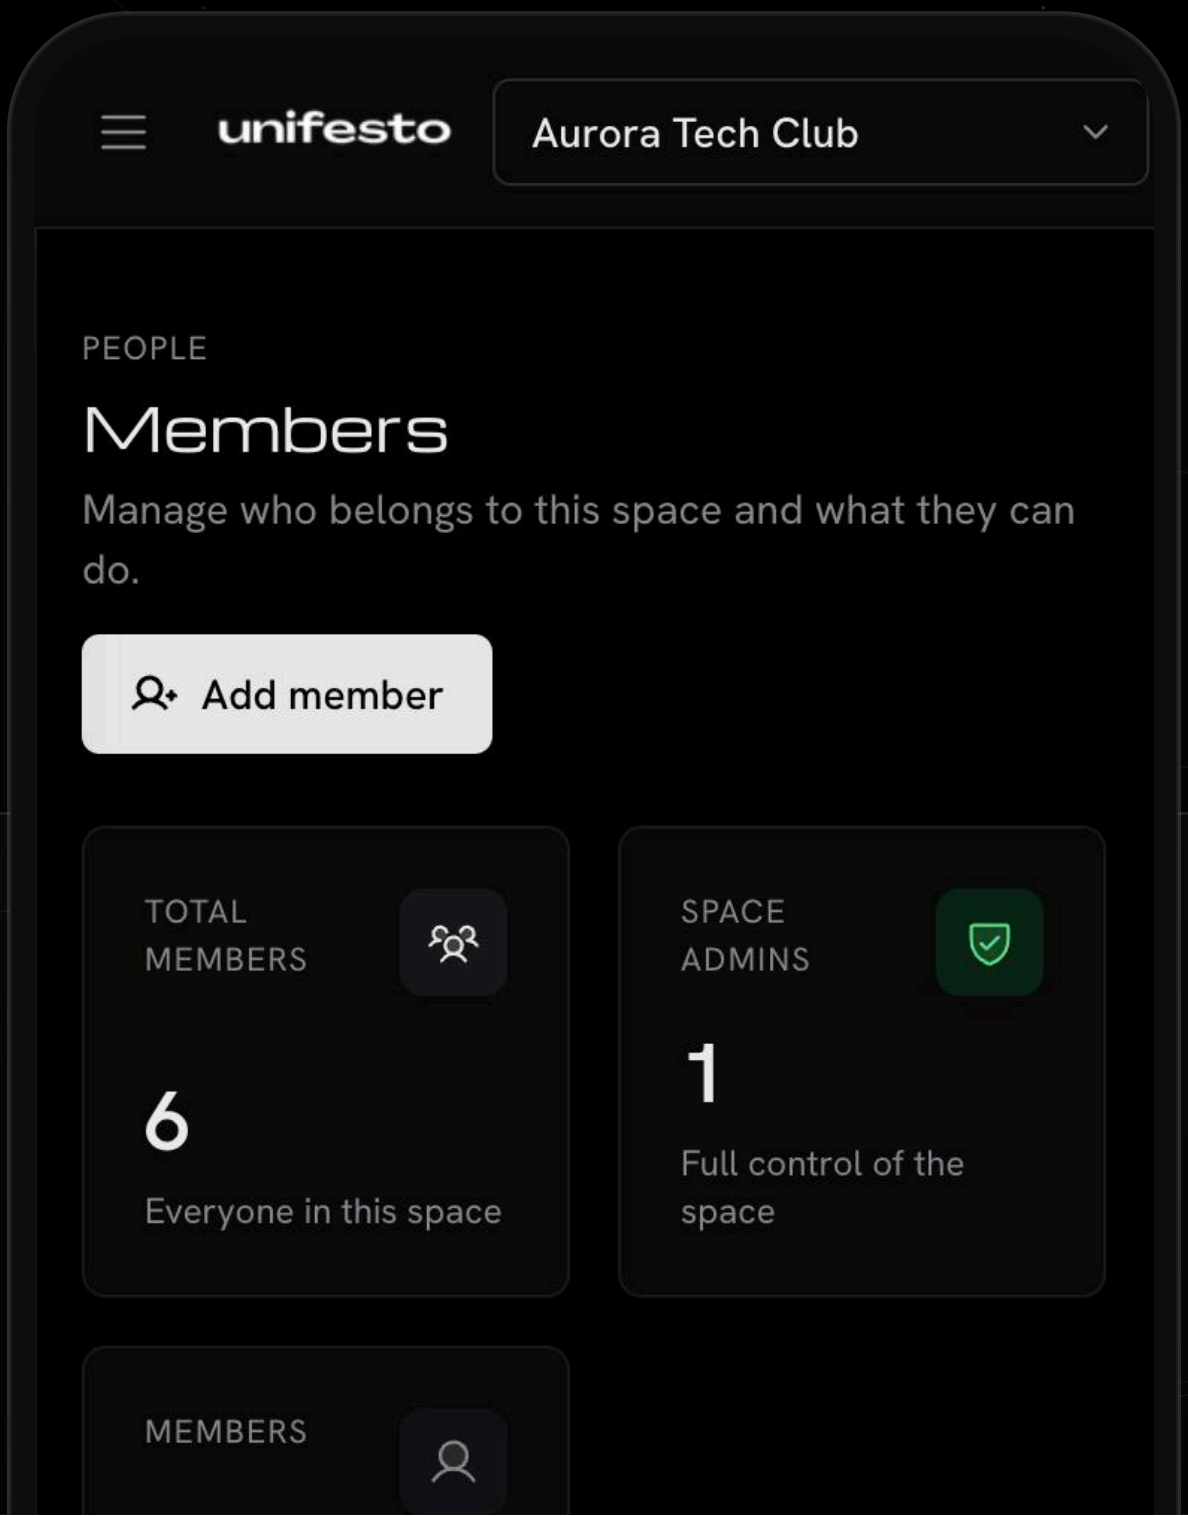

Name, link, a line about your club. Every event and member lives here.

02

Add your members

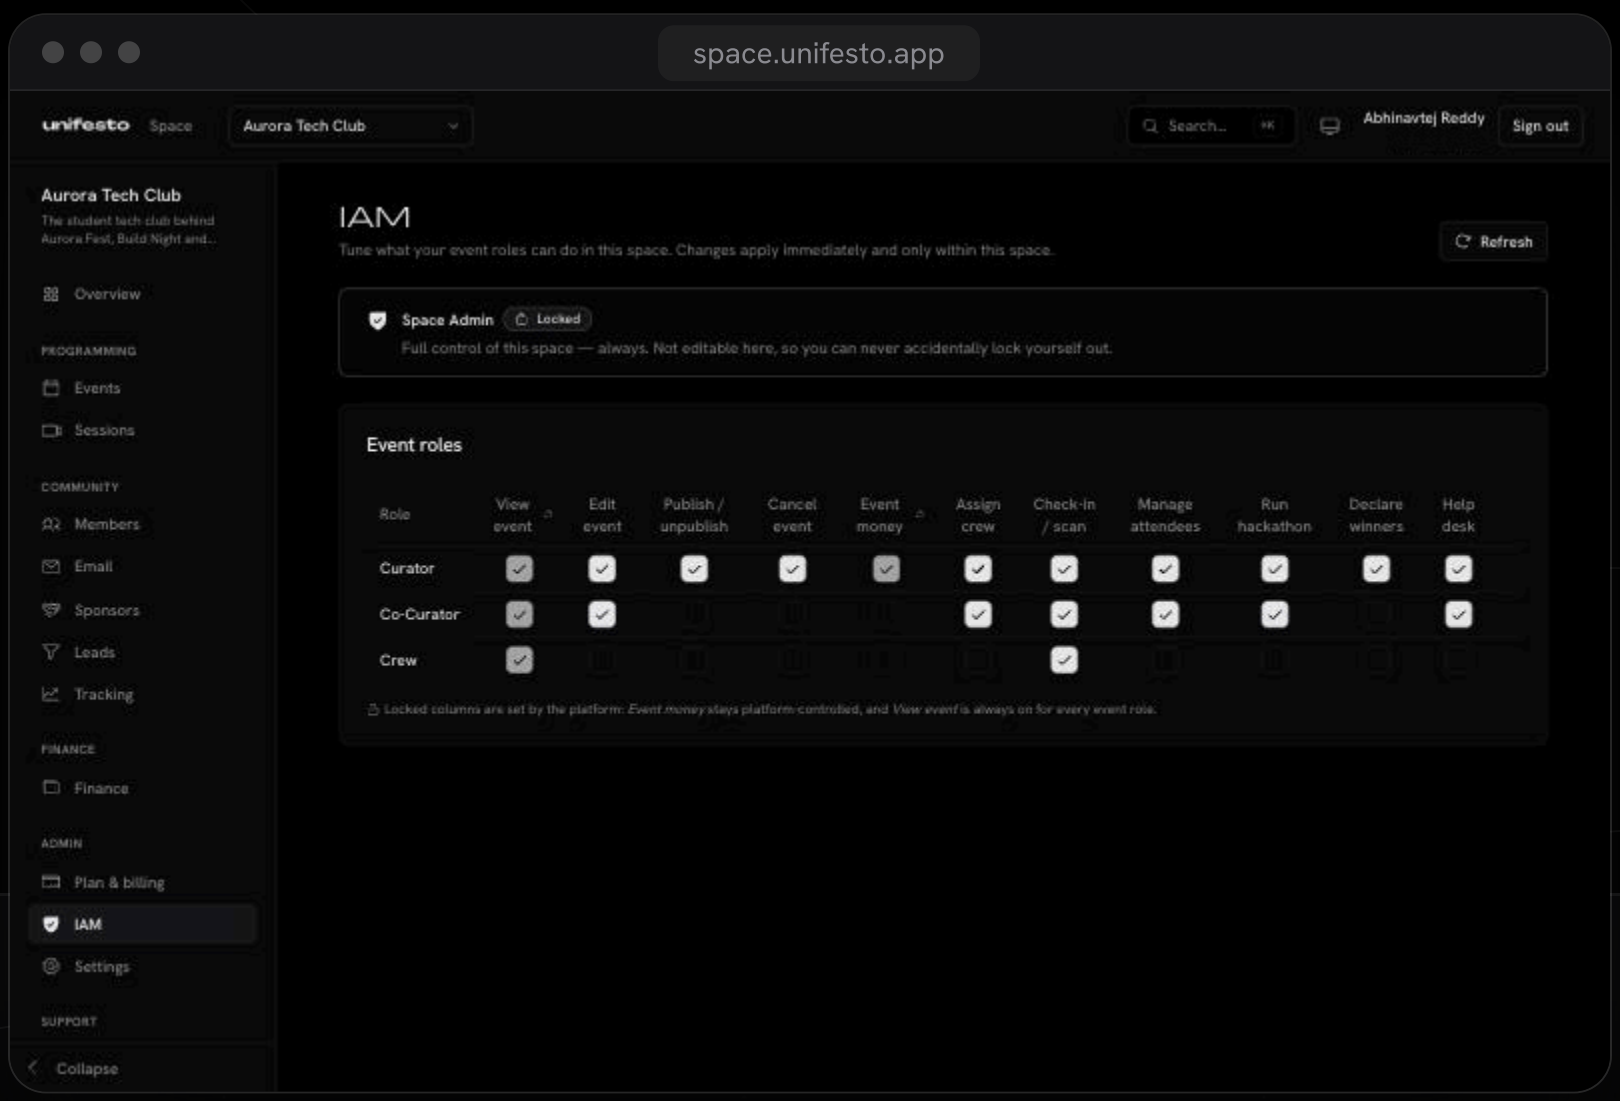

Bring in the core team. Everyone joins with their own account.

03

Decide who can do what

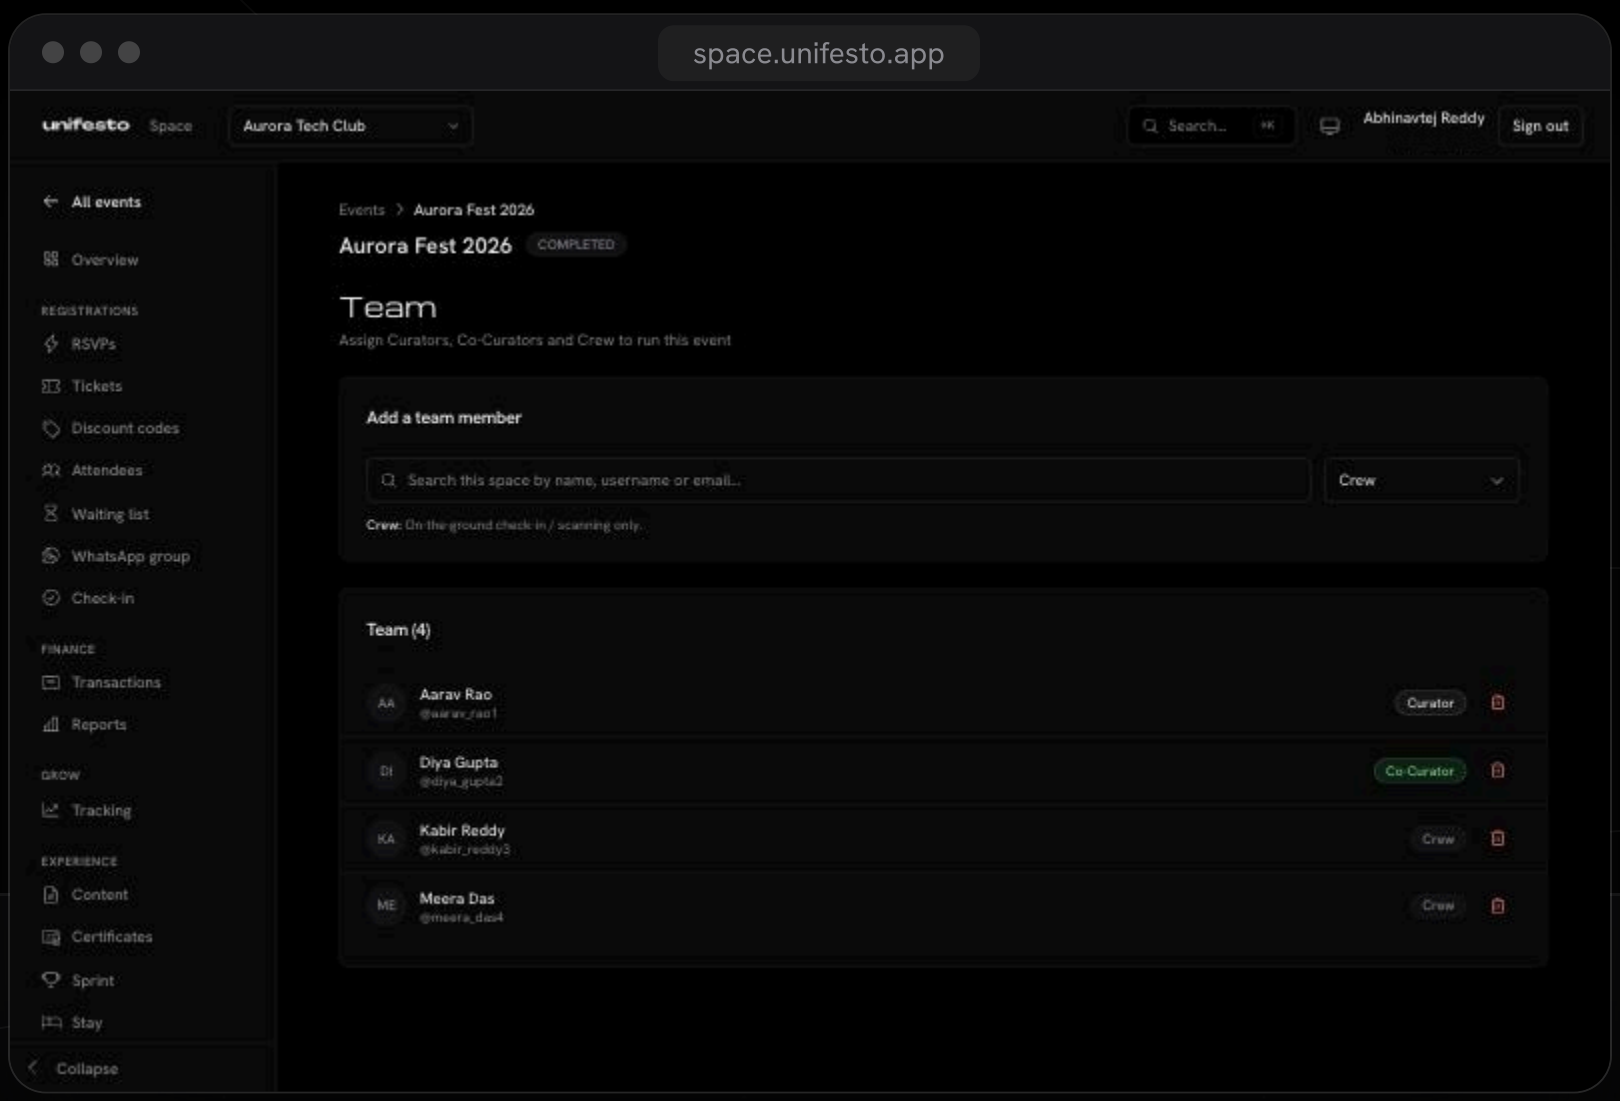

Curator, Co-Curator, Crew. Tick what each role can touch.

04

Give each event a team

Pick people from your Space and set their role for that event.

Set up your Space tonight.

Free for RSVP events. Next year's team takes over the same Space.
