Townscript alternatives

Unifesto vs Townscript, honestly.

Which one fits a college club or fest, as of 30 Oct 2026.

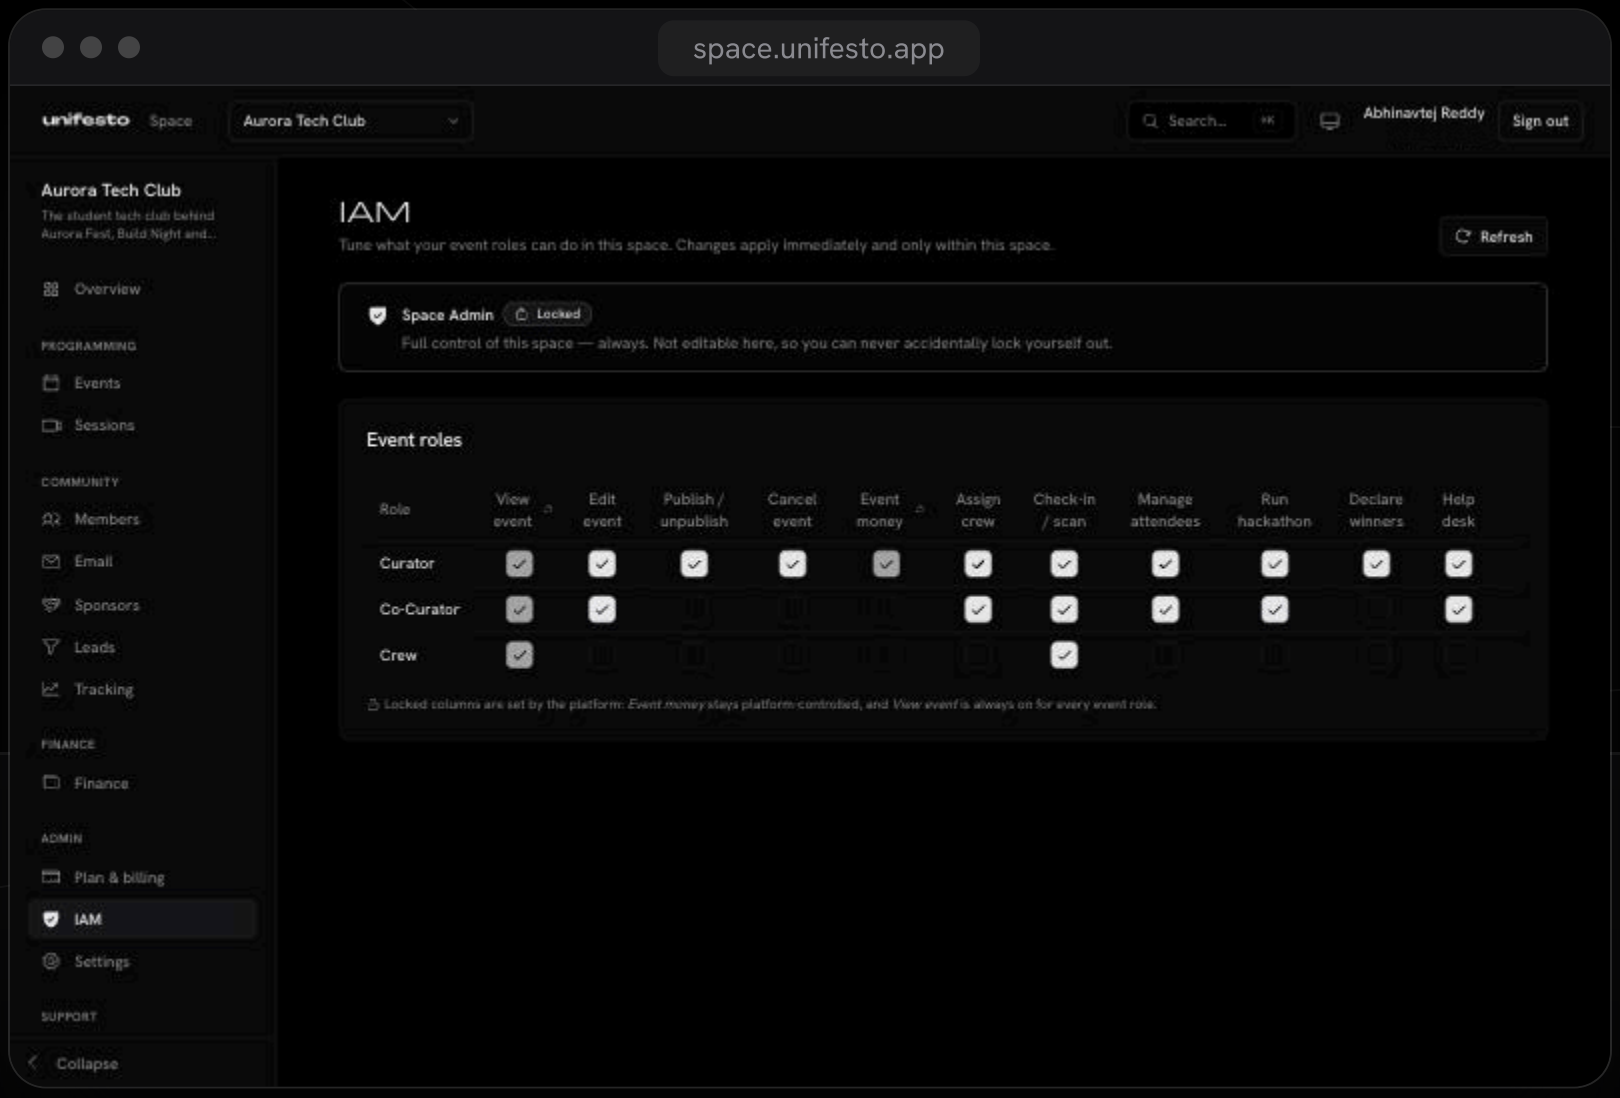

01

Your team

Townscript: an organiser account.

Unifesto: a Space with Curator, Co-Curator and Crew roles per event.

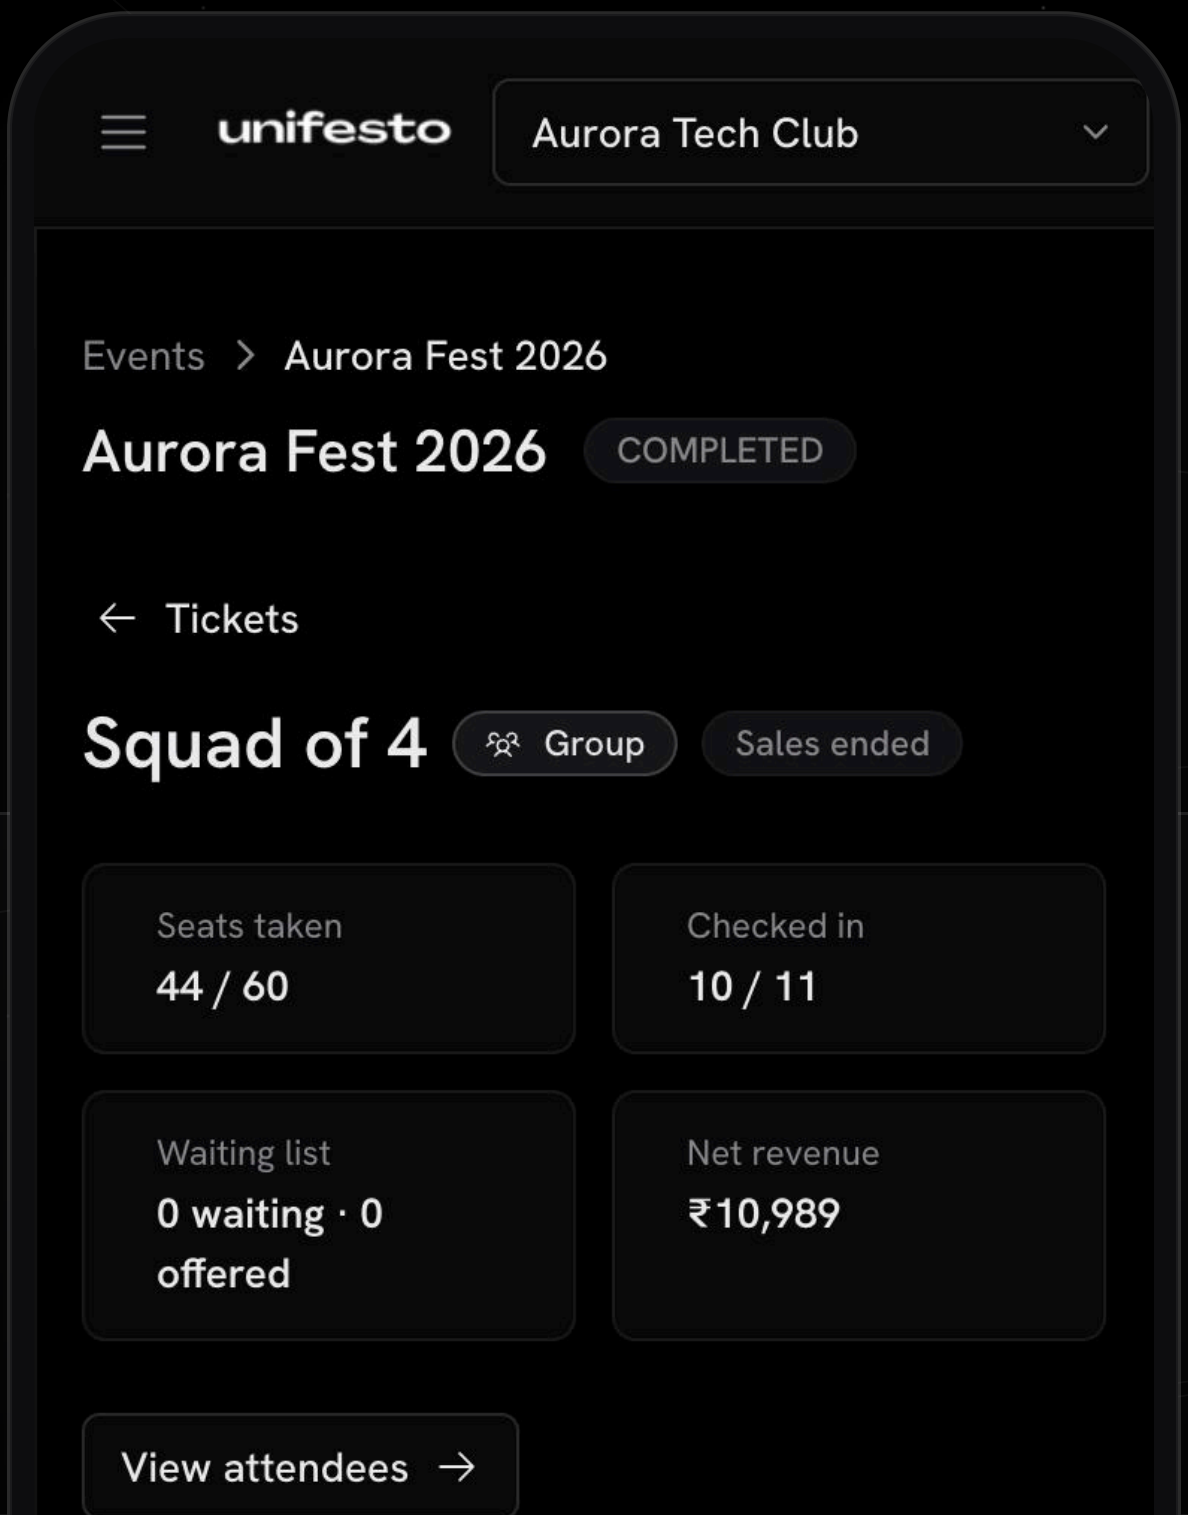

02

Team events

Every member, not just the lead.

Unifesto: the lead pays once, each member claims a seat, answers their own questions and gets a pass.

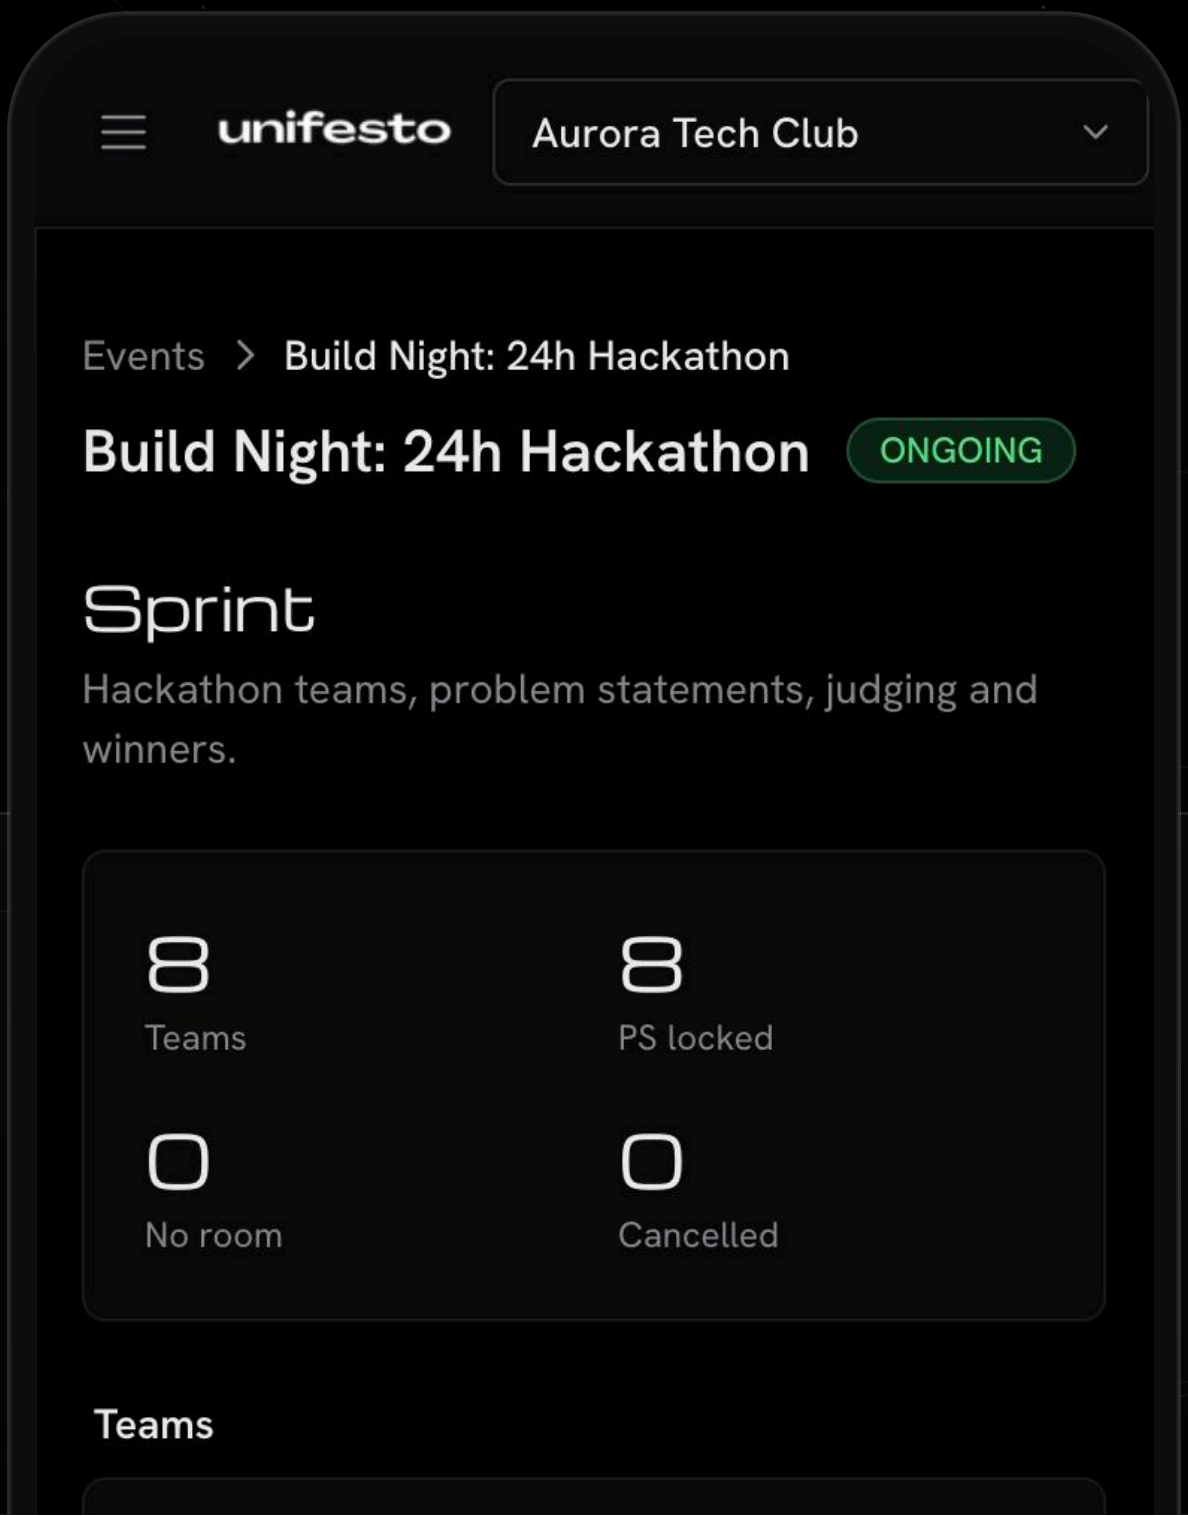

03

Hackathons

Not listed on Townscript.

Unifesto Sprint: teams, rounds, judging and a help desk (Pro).

04

Where Townscript wins

Many currencies. A widget for your own website. No app for attendees. A lower listed fee: 2% + 2% gateway. We'll say it first.

05

The fees

Townscript: 2% + 2% gateway (domestic), excl. taxes.

Unifesto: buyers pay a 5% processing fee. You keep 100% of the ticket price.

Free events: no fee on either. As of 30 Oct 2026.
